COLLECTION

With a perfectly designed outlook and gentle curves, the Surface chair is elegant and stylish. As most of its parts are made from recycled material, the Surface represents the beauty of simplicity and harmony between nature and human. Thus, its owner can relax with a clear conscience.

SIMPLE, HUMBLE, AND INTUITIVE

Simple in all the right ways, comfortable in all the right places - that's Surface. It's easy to specify, easy to sit in, and pairs perfectly with all of your open plan collections.

A CASE OF EXCELLENT DESIGN AT ITS BEST

Surface redefines office seating as it conveys a sense of ease, value and comfort. The chair's design and handling are equally ingenious. You

can confidently tick all the boxes in terms of function and design, as Surface is simply a seamless solution for all workspace.

Headrest

A specially design wide headrest provide maximum support plus comfort to both the head and neck.

Lumbar Support

Easy to maneuver lumbar support that gently support your back into proper alignment.

Adjustable Armrest

PU padded armrest in multi locking positions for better support to the shoulders and neck.

Mechanism

Auto self-weight tilting synchronized mechanism without the annoying hard to regulate weight tensions knob to fuss with.

Inner Seat

PU moulded foam is attached to the bottom polypropylene cover without the usage of commercial adhesive, bolts and nuts.

Under Seat

Bottom polypropylene cover which made of recycled material is unconventionally secured to the seat that eases the exchange and replacement of the seat upholstery.

Armrest

Adjustable polyurethane padded armrest that can be in either light grey or black colour.

Backrest

Nylon backrest frame has the option to be either in light grey or black colour.

5 Pronged Base

Nylon base can be in either light grey or black colour that comes with matching 50mm coloured polyurethane castors.

Comfortable Headrest

Fixed foam padded headrest with nylon back cover can be upholstered in either fabric, PU or leather finishing.

GO GREEN

REDUCE, REUSE & RECYCLE

Reduce, Reuse, Recycle are the 3 great ways we can eliminate waste and protect our environment!

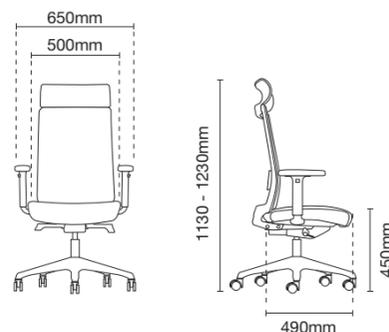

Practicing all three of these activities every day is not only important for a healthy environment, it also for a better future to our next generations.
