

PRODUCT SPECIFICATION	Page :1
	Revised edition no : 01
P-808/50 BONDING AGENT	Effective Date: 16-7-2014

**Description:**

P-808/50 KOYA Ready made bonding agent is ready-to-use cement modifier, consisting of Ethylene-Vinyl Acetate co-polymer emulsion for enhancing the adhesion strength of mortar, tile adhesive cement, plastering cement, cement/sand screed, render repair mortar, grouting cement and the like PH: 9+/-0.5.

**Specification**

Appearance	Milky white liquid
Colour	Milky white
Boiling point	100°C
Flash point	N/A
Physical Hazards	Mild respiratory tract irritating

**Direction for use**

Dilute one part of P-808/50 with one to two part of water. Mix the appropriate proportion of cement based powder with P-808/50 and stir thoroughly until a slump free mortar is obtained. Apply the mortar accordingly to the manufacturers instruction. The concrete surfaces must be cured, free from dust, dirt, oil, sealer or other loose particle. Do not use when temperature below 5°C. Close container tightly after use.

**Precaution**

Keep away from children. Avoid direct contact with skin. If accidentally contact with eyes, flush plenty of clean water. Seek medication if necessary.

**Storage**

Store in cool place, closed tightly after use, away from direct sunlight.

**Packing**

4000ml, 20Kg, 200Kg

**Note**

All recommendations for use of our products, whether given by us in writing, orally, or to be implied from the results of tests carried out by us, are based on the current state of our knowledge at the time such recommendations are made. As additional information is learned, these recommendations may be updated. They may also be impacted by circumstances outside our control. Notwithstanding any such recommendations, the user shall remain responsible for satisfying himself that the product as supplied by us are suitable or his intended process or purpose. Since we cannot control the application, use or processing of the products, we cannot responsibility therefore. The user shall ensure that the intended use of the products will not infringe any third party's intellectual property rights.
