

Pump | Fan | Blower

V2024-02

AS

Stainless Steel Pump

PSW Series
Horizontal Multistage
Stainless Steel Water Pump

PSB Series
Micro Stainless Steel
Centrifugal Water Pump

PSB2 Series
Twin Impeller Micro Stainless
Steel Centrifugal Water Pump

PSK Series
Semi Open Impeller Stainless
Steel Centrifugal Water Pump

PGZA Series
Close-coupled Stainless Steel
Centrifugal Water Pump

PSGJ Series
Stainless Steel Self Priming
Jet Pump

PSM Series
Compact Stainless Steel Water
Pump

PDL Series
Vertical Multistage Stainless
Steel Water Pump

MX Series
Three Phase Magnetic Drive
Chemical Pump

MD Series
Single Phase Magnetic Drive
Chemical Pump

PUS Series
POTENZA Submersible Pump

CUBEPRO

SMART & SILENT PUMP
Intelligent Inverter Multistage Pump

TT370

Peripheral Self Priming Water
Pump With Cover

PM Series
Peripheral Water Pump

PLZ Series
Intelligent Automatic
Water Pump

PCM Series
Centrifugal Water Pump

PJSW Series
Self priming Jet pump

PCH Series
Medium Volume Centrifugal
Water Pump

PCS Series
High Volume Centrifugal
Water Pump

PCR Series
Open Brass Impeller
Centrifugal Water Pump

PMBT Series
High Head Twin Impeller
Centrifugal Water Pump

**PCM MONOBLOCK
Series**
Close-coupled Centrifugal
Water Pump

GDB Series
In-line Water Pump

Cast Iron Pump

ALLIANCE SUPPLIES SDN.BHD.

Industrial

Fan Diameter
14 - 24ft

5 Airfoil
Blades

Rating
IP23/65

**Polymer Composite
Airfoil Blade**

- High strength & durable

**Permanent Magnet
Motor**

- Energy saving & compact

Commercial

Fan Diameter
8 - 12ft

6 Airfoil
Blades

Rating
IP65

12 Major Safety Features

- Maximum protection

Large Air Volume

- Up to 17,800 m3/min

SUS304 Blade

GLF Series
22" - 50" Industrial
Propeller Fan (Shutter)

2 years warranty

- For ventilation in warehouse, farms, factories

HVF Series
30" / 42" Industrial Portable
Drum Fan

2 years warranty

- For open public space, event, gym, etc.

DFG Series
12"-24" Low Noise Axial
Duct Fan

- For ventilation in factories, civil building, etc.

PGH Series
12"-24" Industrial
Exhaust Fan

- For warehouse, canteen, factories, etc

DFP Series
26" Industrial Stand &
Wall Fan

2 years warranty

- 3 blades industrial grade fan

EFP Series
26" / 30" Industrial Stand &
Wall Fan

- 2 blades industrial grade fan

CF Series
20" Commercial Fans

2 years warranty

- Low noise with large air volume for cafes, household, etc.

MFS Series
26" Adjustable Misting Fan

2 years warranty

- For events and cafes with 48L Tank

FF Series

24" / 30" Industrial Floor Fan

- High air volume ventilation for workshop, cafe and public places.

FBD Series

12" to 20" Industrial Exhaust Fan (Shutter)

- Low noise with high built quality for ventilation

KA Series

315mm to 630mm Low Noise Kitchen Axial Fan

- Large air volume axial fan with aluminium blade

CZR Series

Medium pressure blower

- Suitable for removing dust, gas, vapours, rubbers

SBP Series

Low Pressure Aluminium Blower

- For cooling on oven, plastic printing, kitchen, etc.

CTF Series With Stand

12" - 24" Portable Ventillation Blower

- For ventilation in confined space, manhole, air circulation, etc

PC-10

Water Pump Pressure Controller (1")

- For auto start stop on water pump below 1.1kw

PC-19

Water Pump Pressure Controller (1")

- For auto start on water pump below 1.1kW with gauge.

PC-10P

Water Pump Pressure Controller (1"/1.5")

- For auto start stop on water pump below 2.2kW with gauge.

PCT-10P (415V)

Water Pump Pressure Controller (1.5")

- For auto start stop on water pump below 2.2kW

Water Level Sensor

- To detect level of water within a tank
