ABOUT NEWPAGES

NEWPAGES NETWORK SDN BHD formerly known as NEW PAGES ADVERTISING, founded in 2007 with aim to be the most Comprehensive Business Classified Network in Malaysia. To provide a better solution for local business to market their products and services on internet. Since year 2009, we formed a new Company Website Specialist Department and together with our team of specialists, we further enhance our Online Advertising Package - Company Website + Newpages.com.my Business Portal.

With years of internet marketing experience and leading edge SEO team, we successfully developed our own Online Marketing System, Target Driving Optimization (TDO), which becomes the core technology in our products and as our primary business focus. We insist on developing proprietary system, build it from every single byte, improved and optimized it from time to time. With our system engineer team and database privacy protection technology, we believe we give the best value products to Malaysia SMLs/SMEs.

With competitive pricing strategy and fantastic product value, we are one of the fastest growing online advertising company in Malaysia. Newpages.com.my, Malaysia No.1 Business Portal, we served more than 1,300 companies online with more than 6.42 million pages indexed in Google, 10,000+ unique visitors and 1.5 million hits throughout our network daily.

Newpages.com.my promised to provide the edge-cutting technology that helps local SMLs/SMEs to boost their business online and maximize the Return On Investment to our clients.

PLANNING TO BUILD A COMPANY WEBSITE?

HOW TO PICK THE RIGHT WEB DEVELOPER COMPANY ?

RELIABILITY

Depends on how many successful project they launched

HISTORY VS MILESTONE

Ability to keep their company running for years = Nothing
Ability to keep their customer for years = Something

PERFORMANCE

Successful stories, statistic, client reports, number prove.

TOO CHEAP AND TOO EXPENSIVE

There always a reason for being too Cheap and too Expensive.
A Quality product always selling at a reasonable price.

SUSTAINABILITY

Check on their pricing terms. Make sure your website design company can sustain for a very long time.
