The Ultimate

Pool Water Treatment

Powerful Algaecide - Ultra Water Clarifier - Chlorine Booster

Only 4 oz (120 ml) per week per 10,000 gallons (40,000 litres)

Chlorine

Salt Cell

Pools

and

- Continuous prevention of green, yellow and black algae. Kills most algae in 4 to 24 hours.
- Creates ultra-clear pool water.
- Boosts chlorine's effectiveness and reduces chlorine use.
- Keeps pool water mosquito free.
- Improves salt cell's chlorine output and effectiveness.
- More effective than using costly phosphate removers.

Superior results when compared to sodium bromide, copper, silver, enzyme and phosphate remover treatments.
