

Decor Wall Light Exclusive Flying Insect Trap

As a neat and compact way to package an insect trap for all areas, commercial, dining, public locations. The Decor Wall Light is an ideal product for all environments.

The fully epoxy powder-coated body resists stains and yellowing and is designed to direct the UV light up in an arc on the wall.

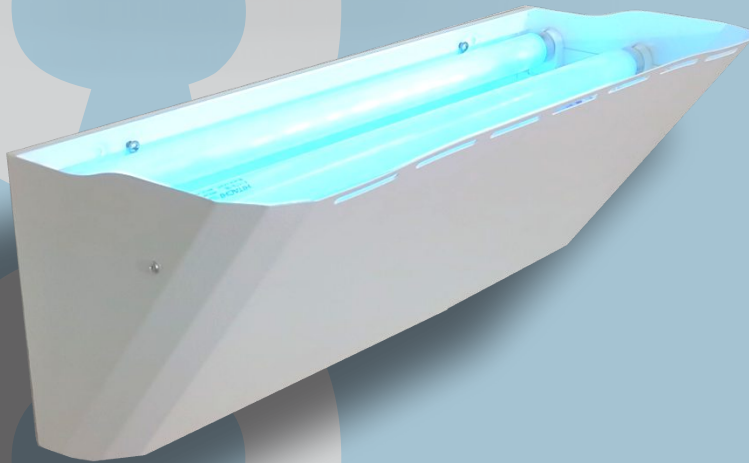

It is quick and easy to change glue-board and maintain.

With two 15W UV tubes and underlying glue-board, it will attract and capture flying insects.
