**Features**

**Falcon Euro Cash Safe series**

Falcon Euro Cash Safe series provides burglary and fire resistant protection for cash and valuables to international standards.

**Key Features**

- High quality cash safe in protecting cash within an office, retail, home environment with a high level of security grade.
- Live & dead re-lockers are incorporated into the bolt work to resist attack of drill on the door.
- Door and body slab thickness encasing with Falcon special formulated F5 high density refractory material, to protect against potential ways of burglary attacks.
- Equipped with quality bolt work and locking mechanism. Heavy duty steel locking hardened-chromed balls securing the door at the front whereby the bolt work comprises of 3 ways flexible moving bolts to the top, bottom and lock case. The series are anchored with full length vertical interlocking rebates system which gives 4 ways locking system in total.
- Falcon Eurosafe series are secured by high security three-wheel mechanical combination lock with security capability of 1,000,000 combination variation. The door is secured by Cawi key lock (Germany Vds certified).
- The Eurosafe Series are tested & compliance to ANS/UL687:1981 and MS 1297:1992 SPECIFICATION FOR FIRE AND BURGLARY RESISTANT OFFICE SAFES. All test have been tested to resist attacking such as high speed drill attack on door, hydraulic jack attack, oxy-acetylene flame cutting touch attack. The safes are tested against fire testing and compliance to JIS S 1037:1989 FIRE RESISTIVE CONTAINERS. The series have been tested and rated for 2 hours fire resistant.
