

Product Name: Excell (FB-series)

Product Code: FB-530

Price: Please call

Description :

Digital weighing indicator (Exell Taiwan)

Features :

FB-530 series : 1 / 30,000 display resolution (Internal 1 / 600,000)

Digital auto calibration

Kilogram (kg) or (g) and pound (lb) weighing modes

Full range tare , Auto zero tracking

Preset weight or quantity , Pre-tare , Weight accumulation , animal scale function

Gross / Net indication , Hold function , Check mode Lo / Hi / OK

Build-in mini printer (date & Time available)

Specification :

Analog Input and A/D Conversion : Input sensitivity : 0.3 microV/d (Min.)

Input Signal Range : -1.25 mV - +22 mV

Input Zero Range : -1mV - +5 mV

Load Cell Excitation : 5V DC / 100mA

Load Cell Drive Capacity : up to 4 load cells at 350 omh / load cell

Display: LCD, 6 Digits. 25 mm (Height). LED backlight

Printer characters : English

Optional :

RS-232 or Serial printer output

Double side display
