

Single-Use Data Logger RC-17

Application

Seafood

Vegetables and fruits

Dairy

Flower

Overview

IP67 Protection Class
Food grade waterproof plastic bag

CR2450 Lithium Battery
Run time up to 180 days, shelf life 2 years

Led Light Alarm Indicate
Two color led light to show status

Automatically Export PDF & CSV Report
No software required

Shadow Data Function
Security measures for accident stopped or not start

One Button Operation
Simple and convenient

Technical Specifications

Temperature Range	-30°C - 70°C
Resolution	0.1°C
Measurement Accuracy	±0.5°C/0.9°F(-20°C - 40°C); ±1°C/1.8°F(Other)
Sensor	Built-in NTC
Storage capacity	16000points(Max)
Run time	6,15,30,60,90,120,180days(customized)
Alarm Type	Single(Sin), Accumulative(Cum)
Data Transport	USB 2.0
Report Type	PDF / CSV Report
Power Type	Built-in CR2450 lithium battery
Battery Life	2 years
Protection Class	IP67

RoHS

DO-160
