## Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 51% of organic carbon processed in TANET karacho originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

## Full transparency - complete ingredient declaration

PHENOXYETHANOL

Specific ingredients: water, alcohol, glycol ether, sodium citrate, sodium carbonate

## Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

## Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

# TANET karacho

## **green-Effective® Surfactant-free All Purpose Cleaner**

- Universal applicability ■ Increased user safety ■ Low cost-in-use

### Product profile

- TANET karacho is exceptionally material and environmental friendly, due to the waiving of surfactants, enzymes and optical bleach, which even makes it suitable for cleaning carpets, textile surfaces and upholstered furniture. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, the extraordinary power of TANET karacho assures outstanding cleaning performance in versatile areas of application with minimal efforts. It easily removes stubborn dirt, grease and grime in low use concentrations saving time and costs.
- Majorly composed of renewable resources, TANET karacho takes on the responsibility for future generations.

### Area of application

- TANET karacho is an universal cleaner suitable for manual and mechanical cleaning of all water-resistant surfaces and floors such as PVC, linoleum, rubber, stone, especially micro-porous stones, for instance fine ceramic tiles or impregnated stone flooring. It is also suitable for cleaning carpets, textile surfaces, upholstered furniture and mineral fibre ceilings.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

2,5-7,5 mL/L

**Manual floor cleaning:** mop the floor wet or damp with a clean mop.

**Surface cleaning:** wipe the surface wet or damp with a clean cloth.

**Spray bottle:** spray onto a clean cloth and wipe the surface.

**Open floor surfaces:** can be applied in auto-scrubbers.

200 mL/L

**For extreme soiling:** spray thinly and evenly on the floor, treat with a single disk machine.

**Thorough cleaning:** can be used to clean carpets, textile surfaces and upholstered furniture.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Keep away from children. Do not mix with other products. Avoid inhaling sprayed product. Test material compatibility before use. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container.

**Environmental:** Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimises environmental impact.
