

The container ramp has been designed for providing forklift access to shipping containers by bridging into standard 20ft and 40ft containers from ground level. This ramp can be relocated by using forklift or/and walkie stacker. The result is a safe, sturdy loading ramp locked firmly to the shipping container. You can now load and unload your container safely - AND QUICKLY!

<b>Ramp Length(mm)</b>	2286	2286
<b>Ramp Width(mm)</b>	1500	1825
<b>Height(mm)</b>	170	170
<b>Pocket Size(mm)</b>	150x150	150x150
