

Meeting today's needs and tomorrow's requests

How can you speed up your workflow and make it more productive?
The Aficio™MP 2550/MP 2550B and Aficio™MP 3350/MP 3350B offer constructive answers. They are fully customisable and offer a variety of new, exciting benefits including excellent speeds and distribution possibilities.

- Print, copy, scan and fax from one device.
- Excellent productivity at 25/33 pages per minute.
- Paper-saving duplex capability.

Impressive productivity

As office demands increase, so does your need for a highly productive partner. The Aficio™MP 2550/MP 2550B and Aficio™MP 3350/MP 3350B help you work smarter and faster. They produce output at a rapid 25/33 pages per minute, with equal duplex speeds. Waiting time is further reduced with a fast 14-second warm-up and a first copy speed of 4.5 seconds.

True multitasking

Printing, copying, faxing or scanning, you can now do it all from one office device. Network connectivity is ample, so these devices can be smoothly integrated into your existing workflow. For the optimisation of your entire document handling process, efficient document management tools are available. Using advanced device monitoring, the status of networked peripherals can be monitored and checked easily through web browsers.

A wealth of customisation possibilities

At Ricoh we design solutions to suit the way you work. The Aficio™MP 2550/MP 2550B and Aficio™MP 3350/MP 3350B can be customised to your exact requirements. Choose from various printer/scanner upgrade options* and build the system that perfectly meets your needs.

Entirely custom-made, these multifunctional all-rounders unite a variety of functionalities to streamline your workflow. Furthermore, you obtain the cutting-edge strengths Ricoh stands for: ease of use, high productivity and state-of-the-art document management. With these highly advanced systems you are prepared to meet any modern office challenges.

MP 2550/MP 2550B

- High productivity: 25 ppm
- Outstanding usability
- Variety of customisation possibilities
- Advanced document management
- MP 2550: standard colour scanning

MP 3350/MP 3350B

- Exceptional speed: 33 ppm
- Versatile document handling
- Complete range of tailor-made options
- Handy printing tools
- MP 3350: standard colour scanning

Delivering the office power you need

How can you limit costs while improving your document handling? As the business landscape changes due to technological progress, you need a progressive solution. Combining high-tech hardware with the latest software, the Aficio™MP 2550/MP 2550B and Aficio™MP 3350/MP 3350B fit that description perfectly.

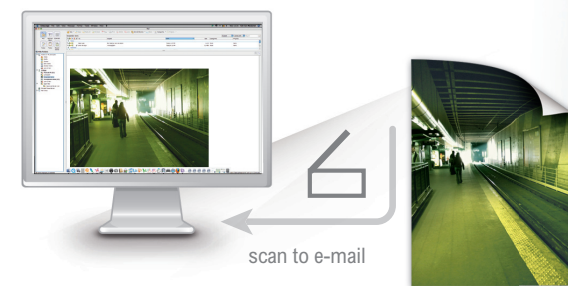

Versatile finishing

To keep your document creation in house and produce your own professional looking output, the Aficio™MP 2550/MP 2550B and Aficio™MP 3350/MP 3350B can be equipped with one out of three finishers. You can even create high quality booklets if you opt for the 1,000-sheet booklet finisher.

Wide media versatility

The MP 2550/MP 2550B and MP 3350/MP 3350B support a variety of paper formats from A5 to A3. You can also print on thick paper up to 157 g/m² to create report covers and flyers. The vast maximum paper capacity of 3,100 sheets allows you to effortlessly handle larger jobs. No need to waste time on continuous refills.

Unique colour scanning & distribution

To save time and costs, you can distribute your information digitally. You can send colour documents as e-mail attachments combining 'scan to e-mail' and 'colour scanning'. In addition, you can scan to URL for reduced network traffic and unlimited file size requirements. 'Scan to NCP', on the other hand, meets the needs of Novell® network environment users.

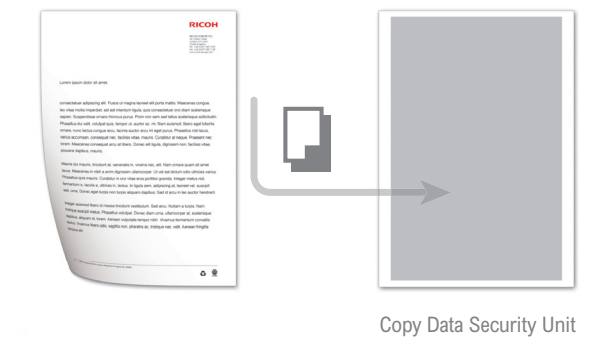

Straightforward & simple

- 8.5-inch full colour touch panel for increased usability and accessibility.
- Simplified display showing only the most frequently used functions.
- Animated user guidance in case of irregularities.
- Easy handling paper trays for easy paper replenishment.

Essential security

- Advanced access limitation (Windows® authentication).
- Erasing of temporary data on the Hard Disk Drive (Data Overwrite Security Unit).
- IP filtering & data encryption.
- Watermark protection greying out documents when copied on devices with a Copy Data Security Unit.

Professional faxing

- Automatically distribute incoming faxes to e-mail or folder.
- Transmit faxes directly from the convenience of your own PC (LAN fax).
- Reduce costs by using the Internet for long distance faxing (Internet fax).
- Virtually eliminate the costs of sending (long distance) faxes by transmitting fax data over the IP/VoIP network (IP fax).

At the forefront of eco care

Like all Ricoh products, the MP 2550/MP 2550B and MP 3350/MP 3350B reflect Ricoh's commitment to the environment through:

- the usage of toxic free materials;
- energy-saving toner production;
- paper-saving duplex capability;
- extremely low power consumption;
- clean and quiet operation.
