

Dewpoint®

Air Curtain

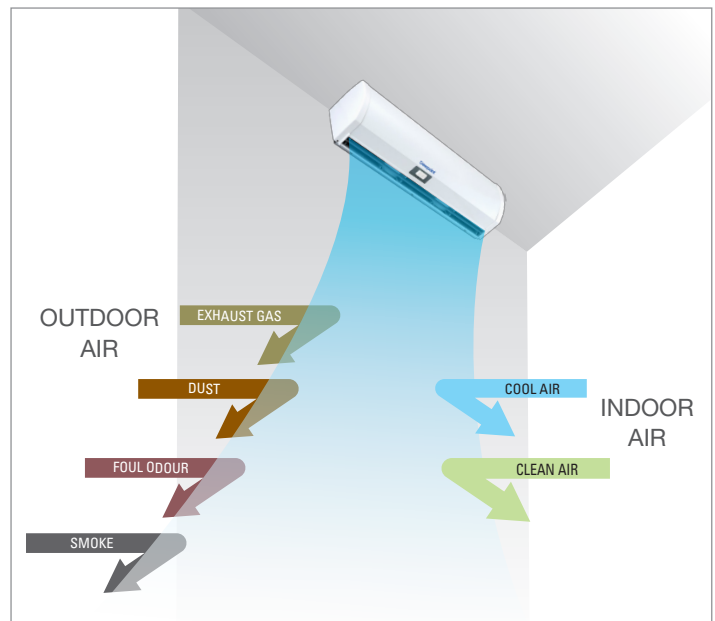

DAC-1014-I

Features

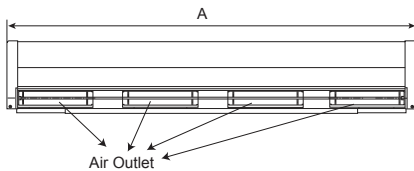

Dewpoint Air Curtain DAC 308B, DAC 310B, DAC 312B, DAC 408B, DAC 410B, & DAC 412B, are driven by high performance motor, quiet sirocco fan system and streamline-casing which give super high outlet velocity, quiet operation and energy efficiency. Its super slim and unique enclosed front louver design can match with interior designs perfectly.

It is an "invisible door" for indoor/cooling retention function, blocking out unpleasant dust, fumes, odour and insects; zoning function for separating air conditioning and non-air conditioning zones, smoking and non-smoking areas. It is ideal for application in shops, restaurants, warehouses, factories, shopping malls, theatres, bowling alleys, lounges, lobbies, etc.
