UNILEVER INSTALLS SKY TUNNEL XL² NATURAL SOLAR LIGHTING

Unilever, the supplier of the WORLD FAMOUS Lipton Tea has gone "Green" in their new production unit in Jebel Ali Free Zone. To enhance the working conditions and to improve productivity, Unilever have installed Sky Tunnel XL² Solar Lighting to both offices and the machinery hall.

"This is the first step in our new energy conservation policy" stated Project Manager Mr. Andy Erena. "We are very satisfied with the performance and will consider further areas to be lit naturally by direct solar lighting".

Sky Tunnel XL² installations are becoming more popular in the Arabian Gulf region as clients begin to realize the benefits of this system.

On checking the lighting levels these are equal or better than artificial lighting levels and occupancy satisfaction is greater. Many types of artificial lighting have been known to cause headaches and fatigue SKY TUNNEL XL² Natural Solar Lighting overcomes these health hazards.

Supplied & Installed by UAE Distributor of Sky Tunnel's - Green Energy Solutions.
