ELDERBERRY BOTANICAL BEVERAGE

# Your Immune System IS LIKE A HUGE CASTLE

## But is your castle breakable?

Our immune system acts like a defence system in our body, it helps to fight against viruses, bacteria and parasites. Therefore, we will be at high risk of illness if our immune system is weak!

### Signs Your Immune System Is Weak

## Strengthen YOUR IMMUNE SYSTEM WITH IMUGLO!

Witness a stronger immune system and a healthier you with the best combination of elderberry and mekabu seaweed, the finest formulation that protects you from the inside out!

- Regulates and strengthens the immune system.
- Relieves the upper respiratory symptoms and problems.
- Reduces the severity of colds and flu.
- Supports intestinal function.
- Reduces risk of infections and inflammation.
- Helps strengthen the skin's barriers.

## IMUGLO COMBINING TWO LEGENDARY Ingredients

### ELDERCRAFT® EUROPEAN BLACK ELDERBERRY EXTRACT

ElderCraft® is standardised to 14% anthocyanidin content as the most valuable bioactive compound in black elderberry.

#### FUNCTION 1

##### ANTI-BACTERIAL AND ANTI-VIRAL

- Effectively inhibit pathogens and relieve inflammation symptoms.

#### FUNCTION 2

##### RELIEVE THE SYMPTOMS OF UPPER RESPIRATORY TRACT INFECTION

- Ease symptoms such as fever, cough, sore throat, nasal congestion and more.

#### FUNCTION 3

##### STRENGTHEN IMMUNE SYSTEM

- By increasing the number of white blood cell.

### MARITECH® ORGANIC FUCOIDAN

Extracted from mekabu seaweed, contains more than 85% of fucoidan as its bioactive compound!

#### FUNCTION 1

##### IMMUNOMODULATION

- Immune cell level significantly increased within 3 days.
- Key immune marker IgG increased by 397% in one week.

#### FUNCTION 2

##### ANTI-BACTERIAL

- Effectively reduce adhesion of gastric and intestinal infection caused by bacteria after consumption.

#### FUNCTION 3

##### ANTI-INFLAMMATION

- Inhibit the activity of selectins, thereby reducing chronic and systemic inflammation.
